PRICING 4-COLOR PROCESS

Take the base price of the chosen item from the price grid at the appropriate quantity and add the imprint charge from the price grid to the right.

Art Prep and Proof Charges for standard (no additional spot colors) 4 color process only - more than one design requires quote:
4-Color Process - Proof Included

Up to	
3" X 3" (most items).....	\$300.00 (g)
3" X 9" (most mug wraps).....	\$375.00 (g)
6" dia. (plates, tile).....	\$425.00 (g)
8 1/2" dia. (plates).....	\$550.00 (g)
10 1/2" dia. (plates).....	\$625.00 (g)
Additional imprint (spot) colors \$65.00 (g) each color	

Buntingware™ 4-Color Process will provide a good quality reproduction of the subject material which is suitable for promotional purposes. Collector Quality imprinting requires a quote and is unavailable for less than 500 pieces. Note: Because of the high temperature required to permanently fuse the imprint into the glaze, ceramic 4-color imprinting will not match offset paper printing or a photograph. Some bright colors, reds in particular, may have to be printed as additional colors.
